

Flowline Alaska Inc. NOW HIRING!

Quality Control Personnel in Fairbanks

TO APPLY: Submit resume and three professional references to jobs@flowline-alaska.com

Flowline Alaska Inc. provides high-quality products and services to support companies developing the North Slope of Alaska.

\$20-\$38 per hour, DOE

Position will entail monitoring and reporting on processing of manufactured value-added services to pipe which is coated and insulated at the facility. Work areas will be in both manufacturing facility and laboratory. Successful candidate will be trained to company's quality program, with the possibility of future accreditation towards national standard coating inspector training. Computer use is required for tracking daily test data, laboratory processing and pipe tracking.
